PetSafe® Cat Veranda™

Let your indoor cat enjoy a luxurious day outside without leaving the house! Whether you live in a high-rise or make your home in the suburbs, your cat can now enjoy the fresh air in his very own outdoor sunroom! PetSafe is proud to introduce the PetSafe® Cat Veranda™, the first window-mounted cat flap that includes an open-air patio with covered roof and indoor lounging platform. Now your cat has the freedom to go in and out of the Cat Veranda as they please, or you can choose to close the flap for restricted use. Each Cat Veranda has a durable white frame, clear acrylic cat flap to retard mold and mildew, weather resistant outdoor carpet and a sturdy indoor lounging platform for maximum visibility. The PetSafe Cat Veranda gives your indoor cat the sights, sounds, and smells of the outdoors while keeping them safe!
