## 20 Holiday Gifts You and Your Furry Family Members Can't Live Without *PetSafe® Brand breaks down its top presents to please any pet this holiday season*

**KNOXVILLE, Tenn. (August 29, 2016)** – Searching for the perfect present for your favorite pet (or pet owner) this holiday season? Since each pet has unique needs, [PetSafe®](#) Brand has put together a list of its top 20 gifts recommended for pets and their parents, including everything from solutions for keeping your cat's litter box clean and odor-free to teaching your dog (or cat!) how to be a better walking partner.

### Automate Your Litter Box

Make every day the most wonderful time of the year with the [PetSafe® ScoopFree® Ultra Self-Cleaning Litter Box](#), a self-cleaning litter box you simply plug in and leave alone for weeks at a time. The automatic rake system sweeps waste into the covered compartment 5, 10 or 20 minutes after your cat uses the litter box and also uses safety sensors that will reset the timer if they detect your cat has re-entered the box. A built-in health counter tracks how many times your cat has used the box to help you quickly identify any possible health problems, while the privacy hood helps keep litter in the box. The disposable litter trays are packed with premium crystal litter that is five times more effective at reducing odors than other clay and clumping litters.

MSRP: \$199.99; available at <http://store.petsafe.net/scoopfree-ultra-self-cleaning-litter-box>
