PetSafe® Honored with Two Industry Recognition Awards from Pet Business

KNOXVILLE, Tenn. – Dec. 5, 2018 – [PetSafe® brand](#), a global leader in the manufacturing of pet product solutions, was recently honored with two 2018 Industry Recognition Awards by [Pet Business](#), which is recognizing this year’s most groundbreaking pet products. PetSafe® won awards in the Dog Bowl Category for its [PetSafe® Drinkwell® 2 Gallon Pet Fountain](#) and the Dog Training Category for its [PetSafe® Remote Trainers](#) product line.

In its 17th year, Pet Business’ Industry Recognition Awards highlights the most innovative, functional pet products advancing the industry. Editors at Pet Business, regarded as one of the most trusted publications in the pet industry, carefully select winners after sourcing the most exciting, cutting-edge products from a wide variety of categories throughout the year.

“Improving the relationship between pets and their parents is the focus of each of our product innovations,” said Celeste Vlok, marketing manager for the PetSafe® brand. “This recognition from Pet Business showcases the value our products are offering. We are excited to share more product solutions in 2019 to help pets and their owners live happy together.”

The [PetSafe® Drinkwell® 2 Gallon Pet Fountain](#), an automatic water fountain, took the prize in the Dog Bowl Category. Not your ordinary water bowl, the Drinkwell® 2 Gallon Pet Fountain encourages hydration with a free-falling stream with customizable water flow. This fountain, tailored for big dogs and/or households with multiple pets, features fresh, filtered water and an easy-to-clean design.

PetSafe®’s Remote Trainers line received the honor in the Dog Training Category. The remote trainers line features an electronic collar that promotes safe, effective obedience training through a stimulation, tone, or vibration activated by a remote control that reaches up to 1,000 yards. Creating easy communication between owners and their dogs, remote trainers help teach basic commands and discourage nuisance behaviors.

The PetSafe® Drinkwell® 2 Gallon Pet Fountain and PetSafe® Remote Trainers are available for purchase at petsafe.com and major pet retailers across the U.S.
